Testimonials

"We cannot praise the team at Waterford Castle highly enough. No request was too big or small. We were organising much of our wedding from the UK but Gillian made everything so easy and stress free. The grounds and the castle itself are absolutely stunning – they were the perfect setting for our Autumn/ Winter wedding. All of our guests commented on the gorgeous food, setting and accommodation. If you are considering Waterford Castle as a wedding venue, then we would definitely recommend booking! Thanks again so much to Gillian and team for making the happiest day of our lives so special."

– Aoife & Micheál

"Where to begin... Waterford Castle is a dream venue. All in all, we wouldn't change a single thing about our day at Waterford Castle. They all helped us to create the most magical memories and we couldn't be more grateful! Go and see it and be wowed..."

– Eoin & Alan

"Having grown up in Waterford, The Castle was the only venue we wanted! Although you are only 10 minutes from the city, once you board the ferry, you could be anywhere in the world! It was the perfect day from start to finish, the accommodation, the food, the service, the setting, and especially the exclusivity of having an entire castle to ourselves! We were made to feel like royalty. My one piece of advice to anyone thinking of picking Waterford Castle as the venue for their wedding – DO IT!! You will not regret it!"

– Catherine & Tom

From the moment we drove off the ferry we knew Waterford Castle was a special place. We really wanted an exclusive venue where it was just us and our guests for the weekend. The Castle bedrooms were stunning and the affordable modern lodges on the island was a real bonus for us with so many guests traveling. Gillian, our wedding coordinator, was phenomenal from the very beginning, nothing was ever an issue and she really went above and beyond what is expected. The attention to detail by all staff was exceptional, the food was wonderful and the bar was a hit with a number of unusual drinks on offer. The facilities on the island are an added bonus, the groomsmen went clay pigeon shooting the morning of the wedding, guests enjoyed golf and walks in addition to dining at the clubhouse the night prior.

– Laura & Ryan
