Dear guest,

Welcome to The Munster Room Restaurant at Waterford Castle.

Throughout the Centuries, the Island's strategic location, in a pivotal position near Waterford City, brought it historical fame. It played a major role in the history of the region, from the 6th century settlement of Monks to the Vikings in the 9th - 11th Centuries. Following the Norman Invasion of 1170, Maurice Fitzgerald became the potentate of the Island and the Fitzgerald family legacy lasted for over 800 years.

Steeped in Irish history, the site of Waterford Castle was the ancestral home of the Fitzgerald Family and this enchanting Island, surrounded by the River Suir, was fashioned by nature, sheltered and secure.

With the change of ownership in March 2015, the Castle has undergone an extensive refurbishment. The owner & his team are breathing new life into the Resort, from creating Island walkways to restoring the 16th Century Castle hotel.

We aim to provide you with an exceptional culinary dining experience with impeccable service to match.

Our culinary team work tirelessly to bring you, the very best in local and seasonal produce.

The heart of our menu is predominantly Irish. We use the best of locally sourced ingredients lovingly prepared by our skilled kitchen brigade.

An extensive wine list, boasting fine wines from all over the globe, complements our menu.

Restaurant Manager Marie Mullally and her team are always delighted to make recommendations that will complement your menu choices.

We wish you a very pleasant dinner.
